1 - We have developed frequent common formative assessments that help us to determine each student's mastery of essential learning.

2 - We provide intervention for students within the core instructional classes when formative assessments show that they need it.

3 - We use the results of our common assessments and formative assessments to continuously assist each other in building on strengths and addressing weaknesses to help students achieve at higher levels.

4 - We use the results of our common assessments to identify students who need additional time and support to master essential learning.

5 - We have agreed on the criteria we will use in judging the quality of student work and have shared these criteria and exemplars with students.

6 - We have developed or utilized common summative assessments that help us assess the strengths and weaknesses of our core and intervention instruction.

7 - We regularly and systematically use formative and summative assessment data to identify students needing support.

8 - My Definition of formative assessment...

9 - My definition of a PLC...
